To

The Secretary to the Government of Mysore in the
General and Revenue Departments
Bangalore.

SIR,

I have the honour to submit for the favourable consideration of Government the case of S C Dey Sing Ray a Mysore student studying in the Veterinary College, Bombay. He had been studying in the Matriculation class of the Central College, Bangalore before he joined the Veterinary College in February 1900. He did not apply for a Government scholarship when he joined the College as his father-in-law T. J. M. Ippavoo Pillai Mysore Palace Overseer had undertaken to support him during the period of his course in the Veterinary College. By the death in December last of that gentleman on whose help he mainly depended, Dey Sing Ray, has become destitute. Being no longer able to continue his studies at his own cost at Bombay he has applied for help from the Mysore Government through the Principal of the Central College, Bangalore who strongly recommends the student for a Government Scholarship says that his case is worthy of favourable consideration. Under the

period he has been in the Veterinary College he seems to have made good progress in his studies as the certificates granted to him by the Principal of that college show He passed the 1st professional examination held in December last and has completed half of his course Under these circumstances I beg to recommend that Government may be pleased to sanction for him Rs 15/- (Fifteen) a month for twenty months commencing from 1st May 1901 to 31st December 1902 so as to enable him to complete his course For some years past there have been no admissions for Veterinary scholarships and trained Veterinary surgeons are known to find useful employment under Government or private men in Mysore
